To whom it may concern,

It is with much pleasure that I recommend the interpretation services provided by Mr. Ewandro Magalhães Jr., of Die Presse Translation & Interpreting.

Mr. Magalhães Jr. has provided high quality interpretation services (both simultaneous and consecutive) on several occasions, during the visits of Canadian government officials and private sector representatives. In particular, I would like to praise his excellent work during the visit of the Governor of the Bank of Canada, David Dodge (from 10-12 March 2004) and the visit of Prime Minister Paul Martin (November 23, 2004), which required not only his services but the coordination of 12 professionals from his staff.

Mr. Magalhães Jr. is a very competent professional. He has the ability to acquaint himself with specific technical terminology and situations, in a short time frame. Mr. Magalhães Jr. is a very pleasant person to work with and has greatly contributed to the overall success of many missions hosted by the Canadian Embassy in Brazil.

I wish Mr. Magalhães Jr. the very best with his professional career.
